Dear Nikolaus,

Congratulations! Based upon your outstanding academic record at the University of Wisconsin-Milwaukee, we are excited to inform you that you have been selected for admission to the UWM Honors College! Your admission is contingent upon maintaining a cumulative GPA of 3.3 or higher after completion of the current semester.

Your admission to the Honors College offers you a passport to future success, no matter your academic interests or future career path. As an Honors student, you will be able to enroll in innovative and intellectually challenging seminars limited to 15 students, seminars on a variety of topics. Our students tell us these courses are their favorites on campus, and they all count toward your General Education Requirements. In addition, you will enjoy benefits such as:

- Being taught by distinguished faculty from across campus
- Having priority registration
- Receiving personalized advising
- Earning credit for completing a thesis, individual research, or creative projects
- Enjoying a small community feeling within an excellent public research university.

The Honors College works with all academic programs at UWM so that you can earn an Honors Degree, the highest undergraduate degree attainable at UWM with any major. We emphasize active classroom discussion, writing and revising confidently, close reading, critical thinking, independent research, and the creative exploration of vital themes and topics—all elements that comprise the best of college educations.

Participation in the Honors College is voluntary, and there is no additional cost or tuition to participate in our program.

If you have questions, please contact us at 414-229-4658 or at [honors@uwm.edu](mailto:honors@uwm.edu). We also encourage you to visit our website: [uwm.edu/honors](http://uwm.edu/honors). We welcome you to one of the most prestigious groups of students on this campus and look forward to learning with you soon!

Sincerely,

Peter Sands, Director  
UWM Honors College
